3/4 DAYS ARUSHA – NGORONGORO CRATER – MTO MBU - LAKE MANYARA – NAIROBI 21 March 2008: Nairobi – Arusha Depart Nairobi city with a private Nairobi – Arusha luxury shuttle at their terminal outside Parkside Hotel along Monrovia Street at 0800hrs. (Arrival at the boarding point should be 30 minutes before departure). We hence commence our Tanzania tour through the industrial town of Athi River along Mombasa Road and branch towards Namanga border town. Some of the small towns to by pass are Kitengela, Isinya and Kajiado. After immigration formalities at the boarder town of Namanga proceed for two hours drive to arrive Arusha town shortly before 1300hrs. There are various sceneries to by pass on the Tanzanian side among them Longido Mountains, Mrima Matakoto, The White Park (Mbuga Nyeupe) and Mt Meru just before Arusha Town. You will be dropped at Arusha Boma Guest House for lunch and overnight stay on full board basis.

22 March 2008: Arusha – Ngorongoro Conservation Area Early morning after breakfast, we board a 4x4 land cruiser with a pop – up roof towards Ngorongoro with our picnic lunch boxes. Through the agricultural town of Karatu we finally arrive at Ngorongoro after covering 160 km from Arusha town. After entrance formalities at Ladore gate, we begin our descend down the crater. Ngorongoro Conservation Area was gazetted in 1959 for conservation of animals and human being (Maasai community) and the vegetation they all depend on, on an acre rage of 8,292km square and at 3708 m above the sea level. The crater is 304km square with a diameter of 20km. Lake Magadi is located inside the crater. It's the six biggest crater in the world from the 1st, 2nd, 3rd and 5th from Japan and 4th from Philippines. All the big five can be spotted at easy down the crater due to less vegetation among various plain game that the area is famous for. There are designed picnic sites down the crater with facilities like toilets and clean water where you shall have your lunch. After an afternoon game drive, we ascend up as Adreline flows in our body system due to the sharp acceleration. Mto Mbu bandas and campsite near Lake Manyara shall be our next overnight home. Accommodation and all meals at Mto Mbu bandas and campsite. Nightlife adventure at the ethnically diverse market town of Mto Mbu is a better option after dinner.

23 March 2008: Lake Manyara – Arusha Early morning before breakfast we embark on game drive at Lake Manyara National Park. It derived its name from a plant called Emanyara in maasai language they use as a hedge. The park was gazetted as a park in 1961 and was declared as man and biosphere reserve in 1981. It has an area of 330km square of which 220 km square is covered by the lake. Lush green vegetation provides home to troops of baboons and blue monkeys. Animal highlights includes; thousands of pink hued flamingos, large water birds such as pelicans, cormorants and storks, tree climbing lions, herds of elephants and large numbers of hippos. Return to Bandas for breakfast and relaxation. Afternoon after lunch we break the camp and return to Arusha for a city tour. All meals and overnight at Arusha Boma Guest House.
